How can I support my child:

- Please provide a quiet space for practicing at home, with positive encouragement.
- **If your child is less than 12 years old and you are in the Suzuki violin program or has a disability, I require that you attend their lessons and take notes.**

Scheduling Lessons:

- You can schedule all your lessons using: www.duetpartner.com
 - This website will show you all open slots and lessons are available on a first come first serve basis.
 - Please note, if you choose to pause lessons for a month your slot may be taken by another student, but you can easily find alternative times on the website above.
- Lessons are never more than a month-to-month commitment, but you can sign up as far in advance as you wish!

Studio Closures:

- I send a monthly email regarding any planned studio closures at the start of the month.
- You can also visit the calendar monthly for studio closings by logging into your account at: <https://smfa.duetpartner.com/>
- If there are school closings due to inclement weather, I will contact you via phone and/or email.

Late arrivals:

- I will always start and end lessons on time to be respectful of your time and I ask that you do the same for me.

- I ask that you arrive five minutes before the lesson is supposed to start and if you drop your child off, that you return five minutes before the lesson is scheduled to end.
- We will end at the expected ending time, regardless of how late you are. If you are more than 15 minutes late, we will cancel the lesson.
- Late arrivals will only receive the remainder of the lesson time that day and will not be refunded for the time lost.

Emergencies:

- Emergencies happen but when they do, there are multiple ways to contact me:
 - Text or call me at (571-340-1922) or
 - Email me at sterlingmusicforall@gmail.com
- I will do my best to make exceptions for emergencies or if you cannot get to me due to inclement weather.

Sick Policy:

- I do my best to ensure my studio is sanitized and clean for you and I will cancel a lesson if I am not feeling well.
- If you are not feeling well, please do not come to the lesson and let me know as quickly as you can. I will refund you or attempt to schedule a make-up lesson.
- I follow the Federal mask mandates and Loudoun County mandates. Masks are welcome anytime.

Practice:

- Progress cannot be made on an instrument without consistent practice, and everyone needs encouragement and help making sure they're staying consistent!
- A little practice each day is better than one long practice session per week – try not to get overwhelmed (or overwhelm your child) by long practices.

Consistency is critical to success **Here are daily practice times based on your personal goals and to make progress:**

- Follow the assignments I give you. If you don't then I cannot guarantee success.
- The more you listen, the faster you will learn by heart.
- The more you review the faster you will learn new pieces. Review builds technique, puts it in the unconscious part of the brain so that the conscious part can learn new technique
- Come to group class-it refills the well of motivation to practice, builds community and is fun!
- Be positive in lessons and in home practice. Your mind is your most powerful asset so use it for positivity. Keep it fun!

- When a class time is canceled due to insufficient enrollment or other center-related reasons, tuition fees will be refunded in full using the same method you paid. In the event that a class is cancelled mid-session, you will receive a prorated refund for the remaining sessions. The yearly registration fee is only refunded if class is cancelled due to center related reasons or low enrollement. Refunds take 1 to 2 weeks to be processed.
- We do not offer credits for missed classes. There will be 1 makeup offered per semester on the 11th week of a 10 week cycle.
- If classes are cancelled due to inclement weather I will contact you and arrangements will be made for future makeups.

Drop Ins

- The drop in rate is \$10 for the first drop in and \$35 per drop in class after that to be paid at the time of drop in.

Medical Withdrawals

- Sterling Music for All offers medical withdrawals with refunds or credit on a case by case basis with a doctor's note. SMFA credits are valid for one year from the date issued and once credited, cannot be refunded. The yearly registration fee is non-refundable. Basis for withdrawals include injuries or illnesses that impede a student's or caregiver's abilities to successfully participate in the class.

Caregiver involvement is critical:

- All students **must** be accompanied by a grown-up: a family member or an assigned caregiver. This is not a drop-off program. The class works best with a one-to-one ratio of caregiver to child. Please contact me if you would like to bring 2 children. It is critical for the adults to participate. The children learn from you and each other and you can help them become enthusiastic music-makers by

participating fully. You will be an excellent model regardless of your musical ability—a sense of mindful attention is all that is required.

Sing rather than socialize:

- At first you may not know the songs but as you learn them please sing along. We especially ask the adults to be quietly attentive and avoid side conversations between activities. This is a time to listen, for often a child will spontaneously sing into the silence. Talking will only distract your child from the musical experience we are so carefully creating. There will be time to socialize before and after class.

Cell Phones:

- Please refrain from using your cell phone during class. Occasional pictures are of course great (especially when you tag #sterlingmusicforall) but if you must take a call or text, please step outside.

Timeliness:

- Class will begin and end on time so please do your best to arrive on time. The doors will be open 15 minutes prior to class if arrive early and want to enjoy the waiting area while we set up. If you are running late (we know this happens especially with little ones) please slip in quietly and join the current activity. No refunds will be given for missed class time.

Toys, Food and Drink:

- Please leave toys at home so your child can focus on the class. Please feel comfortable to nurse or bottle feed your baby in class, but we ask that you keep food for older children in the waiting room area and only give it to them in that area. We need to be courteous to our rental space by keeping it neat and free of crumbs. In addition, due to the large number of peanut allergies in young

children, please do not bring any foods containing peanuts to class. Drinks can be kept in your bag for a “quick sip” if necessary.

Guests:

- Visiting adults are free. Please contact us prior to bringing another child to class. Due to the class size restrictions and caregiver child ratios this has to be carefully considered.

You still belong if your child cries or disrupts the class: (We’ve all been there!)

- If your little one is showing age appropriate behavior during learning such as crying or running around, remain punitive-free and calmly take them to the waiting room area or outside until they (or you!) feel ready to join back in. There is no judgement of toddlers acting like toddlers, even if it can feel tough or tiring for grown-ups. With consistency they will get the routine and we understand little ones may have good and bad days.

Mobility for all:

- This class has a lot of motion for adults and children. We sit on the ground, stand up and move in a circle. Accommodations can always be made as needed. There are chairs available if sitting on the floor is challenging.

If You’re Sick, Stay Home.

- Please do not come to the if you’re sick, even if you’ve tested negative for Covid-19! Should the need arise, Sterling Music for All reserves the right to change these policies at any time throughout the year taking into consideration changes in CDC recommendations, local policy, case numbers, etc. Any changes to policy will be communicated via email. Our teachers are fully vaccinated. We follow Loudoun County for guidance on wearing masks.
